KYLAN PAIGE

BUSINESS ADMINISTRATION

He/Him

PROFESSIONAL SUMMARY

Business Administration Professional, specializing in Information Systems, with 2 years of hands-on experience at The Ohio State University's Cognitive Development Lab. Adept in problem-solving, analytical thinking, and resourcefulness, I bring a unique blend of technical skills and business acumen. Seeking to leverage my background to excel in dynamic roles within cybersecurity, systems analysis, or IT management, and contribute positively to organizational success.

EMPLOYMENT HISTORY

APR, 2018 - FEB, 2021

Research Aide, The Ohio State University, Columbus, Ohio

- Developed Cognitive Research Experiments: Created scientific "games" targeting children aged 7-9 for early childhood cognitive studies.
- Designed User Interfaces: Crafted engaging graphics and experimental paradigms for educational games, leveraging best research practices to enhance learning experiences.
- Evaluated Assessment Effectiveness: Assessed and optimized the alignment of assessments with research goals, focusing on childhood memory categories, and ensuring positive educational outcomes.
- Managed Data Analysis: Collected, analyzed, and maintained the integrity of approximately 750,000 data points, utilizing data analytics tools and methodologies.
- Coordinated Research Participant Recruitment: Strategically recruited 250+ participants through collaboration with schools, daycares, and parents, enhancing study engagement.
- Oversaw Data Acquisition Workflow: Supervised the end-to-end workflow of data acquisition, preparing data sets for post-analysis, and ensuring compliance with data security standards.

EDUCATION

AUG, 2019 - AUG, 2023

The Ohio State University, Fisher College of Business

Bachelor of Science in Business Administration Information Systems

- Morrill Scholarship Recipient: Awarded Ohio State's premier diversity/merit scholarship for academic talent and leadership in diversity and social justice.
- Eminence Fellows Finalist: Recognized as a finalist for this prestigious full-coverage scholarship, reflecting excellence in academics, service, and communication.
- Dean's List, Spring 2020: Honored for outstanding academic performance at The Ohio State University.
